

ENT Surgery – Tonsillectomy Surgery

Introduction

You are awaiting a date for your tonsillectomy surgery. This operation will be done under general anaesthetic in theatre. It is most likely that your procedure will be done as a day case procedure, so you will not need to stay in hospital overnight.

Guidance for Patients

Whilst we apologise that you may be waiting for a prolonged period of time, this will not change your overall outcome. We would not anticipate any significant deterioration in your condition, while you are waiting for your operation.

If get any further episodes of tonsillitis, we advise you to contact your GP, who will treat you appropriately.

What should I do if my health is deteriorating?

If your general health worsens you may need to seek advice from your GP.

If you feel you no longer need or wish to proceed with your surgery please contact our secretaries who will take you off the waiting list.
